

Palestinian Market  
Development Programme

### To Whom It May Concern

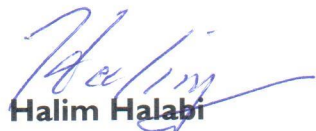

Please accept this letter as my personal and professional endorsement of  
"Development Pioneers Co. for Consultations" as one of the best qualified business providers to  
DAI/PMDP.

Since my earliest involvement with PMDP ([www.pmdp.ps](http://www.pmdp.ps)), I have found their company to be of high  
quality in many ways. Their representation of business consulting and training services to our mutual  
customers base has always been fair, courteous and above all, professional in every respect.

The company conducted two market system analysis for 2 agriculture subsectors in addition to  
consultancy services to number of grantees' companies. They showed high standards in their work.

Pioneers as an authorized service provider by DAI/PMDP is exemplary of the model to which we  
would like all business providers to aspire

Sincerely,
